

Short and sweet.....

Life isn't meant to be easy,
it's meant to be

Lived.

Sometimes happy,
other times rough...

But with
every up and down
you learn lessons
that make you

Strong.

**During labor,
the pain is so
great that a
woman...
can almost
imagine what a
man feels like
when he has a cold.**

Be happy.
You never know how much
time you have left.

You never
appreciate what
you have till it's
gone.

Toilet paper is a
good example.

We can only blame ourselves for
all the crime and violence today.
We removed all the phone booths

and now
Superman
has nowhere
to change.

**A tomato family is
walking down the
road, baby tomato
falls behind, daddy
tomato goes back
smacks him on the
head and says
"Ketchup!"**

Hey ladies, remember when we
were prim, proper and well-behaved?
Me neither!

*Don't worry about the money,
just make it work.*

Experience *is far
more valuable
than money
will ever be.*
